Speech-Language Pathologists of Ontario  
Ordre des audiologistes et  
des orthophonistes de l'Ontario

# OUR ONLINE PUBLIC REGISTER:

SEARCH. FIND. TRUST.

CASLPO, Ontario's regulator of audiologists and speech-language pathologists, protects you by ensuring licensed professionals meet and follow standards of practice and provide safe, quality, ethical care.

## Finding an audiologist or speech-language pathologist is easy

1. Go to [caslpo.com](http://caslpo.com) and select "FIND A REGISTERED PROFESSIONAL".
2. Search by name, registration #, location, languages spoken, ages treated and more.
3. You'll get a list of professionals that fit your criteria and see if they are allowed to practice in Ontario and if there are any restrictions on their practice.

## Good for patients. Good for professionals.

Our register helps to protect the public by making important information about professionals easily available. It also enables audiologists and speech-language pathologists to show patients they are in good standing, building public trust.
